Dear Sheila and Carie,

It is with great excitement that the staff at the Northern New England District honors your congregation with one of our two first annual Courage and Vision Awards. Rev. Karen Brammer and I set out the criteria for this award last fall because we are the people who work with you when your congregations are struggling with issues of growth, healing, conflict, spiritual maturing. We know when a congregation has made transformational leaps of faith from events and circumstances that could have stalled your growth and watched you become even more deeply grounded as a spiritual and religious community.

I have watched you and your congregation, with deep determination, grab hold of your future and not allow the human frailties of your past and the potential for conflict and pain, to be an excuse for maintaining the status quo. Your congregation has found the courage to transcend your pain; disillusionment and hurt thrive in a climate that is fearless.

I often think of your congregational vision when I am discouraged and need a boost to remember the possibilities of our faith. Your courage, your heart, has grown to meet a world that sees to little of that courage and needs all you can supply. You are a beacon in our state capital and in our Northern New England District.

I would like to ask that representatives from your congregation to make a five minute presentation to the Assembly at our Annual Meeting in North Conway on April 1 at 2:00. I know that people would like to know why you found the courage to take the deep stands you did; what has happened that is wonderful and gratifying because you chose to manage your congregational health in positive and proactive ways. What lessons were learned? Any way you choose to make this presentation will be a delight.

I am in awe of your vision and the ways you have chosen to be Unitarian Universalists. I am grateful to you for your courage. Your Vision and Courage enliven us all.

In Faith,

Rev. Mary Higgins

## From the Director of Religious Exploration ...

Responding to changing needs one of the many and exciting ways this church grows in maturity, safety, and integrity. This winter/spring, three decisions exemplify growth: (1) offering health insurance to part-time employees, (2) renovating our RE space, and (3) improving our safe congregation policies.

When it was evident I required health care for my family, Rev. Carie asked the Board. By unanimous decision, the Board stated its desire to be responsible employers and to offer health insurance to all part-time employees. I am so grateful for that decision for the life of the full church, and certainly for my family. Thank you.

This year building chairs Tom Waddell and Marilyn Dunn have responded to safety concerns within our buildings by putting into place sound systems and action plans. We now have a new fire alarm system, a new electrical system in the annex, windows in the annex classroom doors, and plans to install a crash door in the annex for emergency exits. The RE Program is again benefiting from Tom and Marilyn's efforts as plans get underway for a second-floor renovation in the annex. This renovation will increase the size of two classrooms, allowing for bigger activities and comfort in gathering not only for our children and youth, but for all ages as the rooms will be wonderful meeting rooms. Thank you!

As we continue to enhance and deepen our youth program, we have added experiences that take us away from our home church and set us into new and different places — often overnight. Please see the policy notes below from Daisy and Pam. Thank you once again!

I am grateful to be a part of this generous community. I am grateful for the integrity of the people who help create sound policies and safe systems. Growth at the UCC flourishes thanks to each and all of this community.

Yours in faith,

Karen

## Safe Congregation Task Force Youth Overnight Policy ...

The RE committee, safe congregation task force, DRE and minister recognized that as a part of becoming a safe congregation, we needed to update our overnight policy for youth sleepovers. Although we have had successful sleepovers in the past, without incident, our goal was to ensure that we continue to trust wisely, not blindly. We researched policies from other UU churches noting that policies vary from having 2 adults awake at all times during youth sleepovers to no formal policy at all.

Our process started with a facilitated listening circle giving youth, parents, teachers and members of the congregation a chance to state priorities regarding an overnight policy. We resoundingly heard that youth, parents, and teachers felt that our previous model of covenanting, and establishing high expectations of the group was working. We heard that sleep for all participants, including adults was a priority. We recognize that individual overnight situations differ widely and that chaperones must work closely with the DRE both before and during each overnight to assess risk, assess our youth and each other, and adapt to each situation—always reserving the option of having 2 adults being awake at all times.

We have drafted an overnight policy for the UCC with key points including:

- ◆ Youth, chaperones and the DRE will covenant before each trip, ensuring that a core list of elements is included in every covenant.
- ◆ The DRE, in close coordination with adult chaperones, will do a risk assessment and safety plan for **every** overnight — using the overnight policy and safety checklist as a guide.
- ◆ Recognizing the responsibility that the DRE and chaperones are taking on, all parents of youth participating in the overnight will attend a mandatory meeting before each overnight.
- ◆ Only adults that have been active in the congregation for at least one year and that have met all requirements of our safe congregation policies will assist on overnights.

A copy of the proposed policy is on the RE bulletin board for your perusal. This proposed policy will be reviewed at the next RE Committee and Safe Congregation meetings then submitted to the Board of Trustees in April. If you have any questions or concerns please contact any one of us; Daisy Dore, Pam Lombard, Karen Fisk or Carie Johnson.

Pam Lombard, RE Committee chair

## A Note from the Board President ...

Hello Friends,

I have wonderful news! The UCC has been chosen to be the recipient of the first annual Courage and Vision Award because of our courage and willingness to transcend and grow through the conflict of recent years. The awards ceremony will be held at the Red Jacket Inn in North Conway NH on April 2, and we will be sending a group of members to accept the award on behalf of the church.

In the award notification letter from District Executive Mary Higgins she explained why the Unitarian Universalist Community Church of Augusta had been singled out for the honor. "I have watched you and your congregation, with deep determination, grab hold of your future and not allow the human frailties of your past and the potential for conflict and pain to be an excuse for maintaining the status quo. Your congregation has found the courage to transcend your pain: disillusionment and hurt to thrive in a climate that is fearless. I often think of your congregational vision when I am discouraged and need a boost to remember the possibilities of our faith. Your courage and your heart have grown to meet a world that sees little of that courage and needs all you can supply. You are a beacon in our state capital and in our Northern New England District. I am in awe of your vision and the ways you have chosen to be Unitarian Universalists. I am grateful to you for your courage. Your vision and courage enliven us all."

We should be proud.

### **New Member Welcoming Ceremony**

Sunday April 10, 2011

9:15 a.m. & 11 a.m. services

Our new member welcoming ceremony is a way of celebrating those who have become members during the past few months, and also inviting those who have begun to be part of our community, to consider whether you might like to join at this time. Membership is a way of participating more fully in the life of the congregation. Membership enables you to vote during congregational meetings, and to help shape the direction of our spiritual journey together. Members are invited to share responsibility for the congregation, through our gifts of time and resources, as we are able to participate.

To become a member, we ask that you express that intention in a visit with the minister and through signing the membership book. The welcoming ceremony itself will be simple, including reciting your names, and inviting all of you to come forward to receive a small gift from the congregation.

## Membership Committee....

### How to be Welcoming ~

When someone new walks through our doors – how do we help them to feel at home? The Membership Committee will explore this question with a series of “tips” in the next several newsletters.

### Introduce yourself

One act that can help a new person feel more comfortable is to introduce yourself. If you see someone you don't recognize, don't worry about whether they are new or not. Just walk up and say “Hi. I don't believe we've met before. My name is \_\_\_\_.” It's a great way to make a new friend.

### Wear a Nametag

Wearing a nametag helps people learn our names. It also helps those of us who sometimes forget a name. Nametags are kept in the coatroom. The greeters have supplies for helping newcomers make a temporary nametag. Requests for permanent nametags are posted in the coatroom. If you have a nametag – please try to remember to wear it. It really does help us all connect.

## Worship Committee....

The church provides electronic devices for persons who need to hear better at Sunday services. We seem to have lost several of these devices, and we ask that you who use them, check at home to be sure that you have not, inadvertently, taken one home with you. Thanks.

Dan Sorensen  
Worship Associate Committee

## History Committee....

The History Committee meeting scheduled for April 8, 10:00 a.m.—12:00 p.m. has been canceled. Our next meeting will be May 13th. See you then!

## Faith in Action ...

In recent months a number of people from our church have generously volunteered at the public suppers. They cooked, prepped, cleaned, refilled, served, baked cakes and talked with neighbors. Many folks also helped deliver food donated by our church to the food bank. They even made sure there was a pallet to cover a large puddle so no one would get their feet wet while delivering! Thank you to Karen Fisk, Ruslan Reiter, Tonia Reiter, Katelyn McAuliffe, Lucy Gottlieb, Cricket Gottlieb, Noah Gottlieb, Ida Gammon-Wilson, Cheryl Clukey, Annie Reiter, Michael Conley, Christeena Billings and Rev. Carie Johnsen.

This summer our church will once again cook and serve suppers on the third Saturdays of the month. Thank you to Rebecca Dorr, Michelle Perkins and Michaela Loisel, last summer's leaders. Michaela has agreed to lead a meal again this coming summer. Two more leaders are needed. Are you ready to plan, organize and cook with a group? You will have the opportunity to sign up the last two weeks in March as a meal leader or a crew member. For more information contact Jenny McKendry at 622-4501.
